AYC Skipper Training- Terms and Conditions:

The yacht is fully insured against accidents and third party liability, but responsibility is not accepted for personal accidents, damage or loss due to your negligence. Unnecessary damage and losses attributed to carelessness of a student will be paid for by the student at replacement price, fair wear and tear accounted for.

You are strongly recommended to arrange your own insurance cover, for cancellation, injury, personal belongings and personal liability.

The payment is non-returnable once a booking has been received and accepted. A course booking may be moved if it is in excess of 28 days from the start of the course, but this is discretionary upon the course, and is subject to an administration fee. In the event of a course being cancelled for whatever reason, our liability will be limited to monies already received from you in respect of that course.

Should you, for any reason, feel that the course may not have met your expectations, it is vital that you raise the issue at the earliest opportunity, so that we may rectify the situation as soon as possible. Alternatively, please contact the operations Manager via the AYC office Vienna. We may not be able to offer alternative arrangements for comments after the course is completed if the issue could have been resolved during the course.

Occasionally we may use names / photos in promotional material, if you have an objection to this please let us know in writing.

Thanks for notice!
